

Dear Patron,

Thank you for signing up for 2020 Summer Reading Creativity Crates! We know the past few months have changed the way we all do things in our everyday life, and we at the Bath County Memorial Library are doing everything we can to provide patrons with safe opportunities to enjoy our services. As we have in the past, we want to provide our community with all the fun books, crafts, and information that comes with summer reading.

The new format for the year 2020 comes in a box, delivered to your door. If you have ever received a subscription box for anything, you will recognize the idea. Each box from the library will contain books, crafts supplies, information for each week's theme, a summer reading log, and lots of information for you to explore on your own. We will be posting videos each week for your age group as we talk about the books and the crafts.

We hope you enjoy your Creativity Crate and if you have any questions, please contact the library at 674-2531 or email Holly ([hhoward@bathlibrary.org](mailto:hhoward@bathlibrary.org)) or Theresa ([tcoleman@bathlibrary.org](mailto:tcoleman@bathlibrary.org)).

## Box # 1

The theme for the next 2 weeks:

**Mermaids**

---

Crafts:

**Nature Walk Mermaids & Origami Bookmarks**

---
