## Children's Room Happenings

### Play, Learn and Grow...Together!

Thanks to patron generosity and grant awards, Children's Room is delighted to introduce brand new hands-on learning materials available for check out.

TOY LENDING LIBRARY features challenging, educational toys that teach concepts, develop reading skills, foster problem solving abilities, and encourage social interaction. Included are toys for dramatic and musical play, manipulative toys, family games including SmartGames, and games for outdoor play. Materials are available to challenge and entertain family members of all ages. The Toy Lending Library was made possible by a gift from Barb and Loren Kindler in honor of their grandchildren.

SPROUT EARLY LEARNING BACKPACKS are filled with books, materials for hands-on learning and tips for suggested activities. The backpacks are developmentally appropriate for children ages 3-8. Themes include language arts, math, science, and social-emotional topics. Sprout Backpacks were purchased with grant monies awarded by Dollar General.
