

## A Note from City of Guthrie Code Enforcement Division

Spring is gone, and as you go about the summer chores around your house and yard, we wanted to remind you of a few things that tend to get overlooked from time to time. With the summer heat coming on and the steady bouts of rain that we continue to have, we are going to have an abundant growing and mowing season.

Please remember to be conscious of the height of your grass and any weeds in your yard. A homeowner or occupant is responsible for maintaining their yard from the residence to the curb lines, and if their property borders an alley, to the midpoint of the alley. We hope that this will serve as a simple reminder to those that have vacant properties, structures or other lots might want to do a quick check of your properties very soon.

The City of Guthrie prohibits the growth of grass and weeds that exceed eight inches. Additionally, full grown trees must be trimmed to provide a full 12 foot clearance above the street surface and 10 feet of clearance above sidewalks and alleys. This better protects the health, welfare and safety of any nearby residents (including children), animals, and property.

Before you return to the comfort of your house to cool off or spend time in the recliner, take a quick look around and make sure that you have house numbers readily visible from the street. These numbers are needed by Guthrie's police, fire and emergency medical personnel, should they ever need to respond to your house. Please help us keep Guthrie a safe, beautiful and historic place to live and visit. Thank you! To contact Code Enforcement please call (405) 282-0551 and leave a message or email: [code@cityofguthrie.com](mailto:code@cityofguthrie.com).

## A Word on Fireworks

In order to allow residents more flexibility to celebrate their 4th of July activities and encourage a safer and more controlled atmosphere when discharging fireworks, the Guthrie City Council voted to allow the use of fireworks on private residential property outside of the Capitol Town site Historic District with a permit. The permits can be purchased at Guthrie City Hall for \$15. More information is available online at [www.cityofguthrie.com/index.aspx?nid=252](http://www.cityofguthrie.com/index.aspx?nid=252). Please have a safe & fun Fourth of July!
