

CSL: INVESTIGATING TRUE CRIME

TRUE CRIME

@ Your Library

Spend the day examining true crime with professional investigators and educators. Author Amanda Lamb delivers the keynote address. Registration required.

OTHER SESSIONS WILL INCLUDE:

- Historic Crimes in Cumberland County
- The NC Innocence Inquiry Commission
- Today's P.I.
- Examining Cold Cases
- Crash Course in Profiling

Plus, check out the crime scene! In a staged setting, FTCC forensic science instructors and students will explain forensic techniques used by law enforcement when processing a crime scene.

(Please note, portions of some presentations may be too graphic for younger or more sensitive participants.)
