2

## MAKE IT

## HAPPEN!

3

## BEFORE THE PROGRAM

- pick your demographic. tweens? teens?
- gather materials (see page 2 for references)
- decide on a theme
- create templates, and provide examples. Print out other zines or elements that work with your theme & aesthetic
- market your program! In-branch, social media, reach out to resources

4

## :FOYAYEHL THE DAY OF:

- reserve table space with plenty of room
- have fun!

## AFTER YOUR WORKSHOP:

- format your zine - decide on the layout
- photocopy + distribute
- contact your cataloging dept to add to your library's collection...OR DIY!
- show off your awesome new zine!
