## Children's Room Happenings

### September 2020

Thanks to a grant from the Ohio Children's Foundation, Children's Room is delighted to offer another new program and service to patrons! "Grab, Go & Read" bags are reading materials now available for check-out! "Grab, Go & Read" bags provide patrons with convenient access to age-appropriate books for infants and toddlers. Groups of five board books, selected by experienced HPL librarians, are included in each bag, and these bags of books can be checked-out from HPL, just as any book or item. Patrons can easily obtain six books, in a bag, to read to their children! This provides easy, on-demand access to books and facilitates and encourages reading and participation of the entire family!
