

## LROC - Library Resource Outreach Center

LROC is a collaboration between the Rochester Public Library and local human service agencies to offer services to the homeless, those in danger of becoming homeless, and those in need of access to the various resources listed below, without barriers.

- There are no eligibility standards for services
- No appointments necessary
- We work to eliminate, or lessen, barriers to other services

LROC is staffed by employees of Person Centered Housing Options, MC Collaborative, and Volunteer Legal Services as well as interns and volunteers.

### LROC can connect patrons to services and resources, including:

- Housing
- Food
- Clothing
- Shelter
- Income
- Case management
- Medical care
- Legal assistance
- Employment

### Our three-fold approach:

- Meet people where they're at
- Build relationships through immediate or expedited access to services
- Approach patrons in the library to engage them in services
