

Are you a maker? Do you like to create, build, and learn new things?

Join us at the Gombert Elementary Library THIS SUMMER!

The library will be open on these days from 9:00-11:00.

Thursday, June 16th: Robot Exploration

Thursday, June 23rd: Monster Floatation Competition

Thursday June 30th: Learn to Draw Cartoons!

Thursday, July 7th: Create stories with a REAL author

Thursday, July 14th: Making Pop-up Books

Thursday, July 21st: End of the Summer Celebration!

Each day will include a time to check out books, a story time, and a time to MAKE something! Our MakerSpace will be a time for students to explore a variety of art and STEM related activities.

We welcome all grade levels (K-5). Please note that Kindergarten-3rd grade students should have a parent, childcare provider, or sibling (12 years or older) with them while at the library.
