

Memoir Showcase Workshop

An 8-Week Creative Arts Series for Adults Aged 55 and up

**Learn to Tell
the Story
of Your Life
as Memoir,
then Share it
on the Stage!**

**Many of us have fascinating lives,
whether lived inwardly or outwardly,
during childhood long ago or in the past decade**

But when it comes to writing a memoir, where do we begin?

**Memoir is most successful when it is not "the story of a life"
but a focused part of that life**

In this series of sequential classes, participants will explore methods for planning and focusing on what their memoirs should be. Students will be given a book to use as a plotting tool, and will also learn how to perform a brief theatre piece, dramatizing what they've written.

Space is limited so registration is required.
