

# ZINE NIGHT @ the Library

## Join Us

for our monthly Zine Night, a chance for you to work alone or collaboratively on zines, comics, artist books, or other paper projects in the library.

## We Have:

staplers, trimmers, basic drawing supplies, paper, adhesives, scissors, discarded book scraps, scanners, photocopiers (and occasional guest how-tos).

## You Need:

Ingenuity, creativity, and inspiration. A desire to show off or learn new techniques. A want to work and get to know other zinesters and artists?
